[REDACTED] DDO

Mr. Blee, ADDO

Attached for your information is a memorandum we originally intended to send to the DCI showing him the membership of the new NSCIC Working Group and its Intelligence Panel.

Since this same information is in the Minutes of the Working Group meeting of 30 October --which Mr. Colby will receive --we decided not to send him the attached memo, but General Wilson and [REDACTED] wanted to make certain you were aware of the makeup of the two new NSCIC bodies.
